Authority

NDA – Strategic perspectives

David Hayes – Commercial Director

Basic facts

- **Established April 2005, by Energy Act**
- **20 nuclear sites (BNG/UKAEA)**
- **£56 billion liabilities**
- **£ 2.3 billion a year budget**
- **£ 1.2 billion a year commercial income**
- **2+1 CPIF Contracts**
- **PSA targets**
- **LCBLs/NTWPs/ASFLs**

Strategy objectives

- Robust, costed and funded plans
- Real progress in reducing high hazards
- Competitions to manage our sites
- Better approach to waste management
- Accelerate Magnox decommissioning
- Defined end states and timescales
- Skills, socio-economic etc.

Key issues

- Industry restructuring
 - BNG sale
 - Westinghouse
 - UKAEA
- Government decisions on waste management
- Pensions
- THORP re-start
- Strategy and competition schedule approval
