Potential to accelerate progress

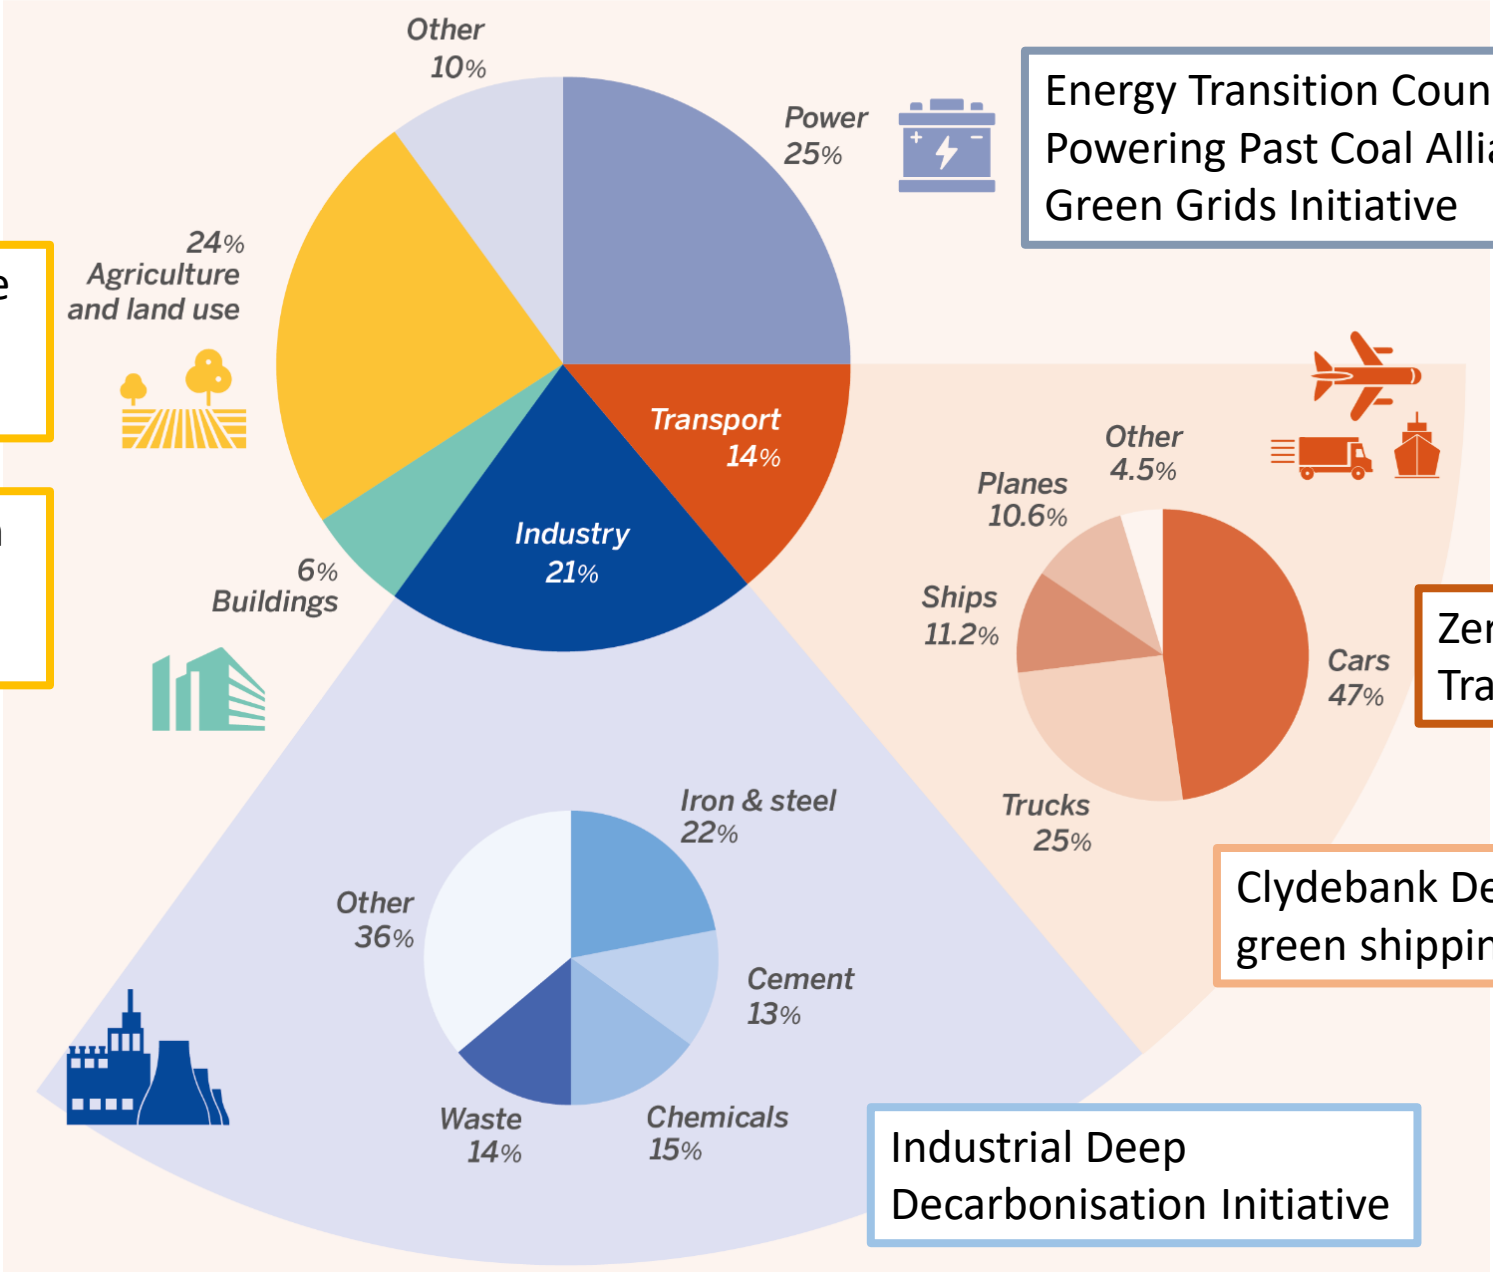

# Processes for sustained collaboration

## GLOBAL EMISSIONS BY SECTOR

Forest, Agriculture and Commodity Trade Dialogue

Policy dialogue on sustainable agriculture

Energy Transition Council  
Powering Past Coal Alliance  
Green Grids Initiative

Zero Emission Vehicle  
Transition Council

Clydebank Declaration for  
green shipping corridors

Industrial Deep  
Decarbonisation Initiative

# The Breakthrough Agenda

***A commitment to work together  
'to make clean technologies and  
sustainable solutions the most  
affordable, accessible and  
attractive option in each emitting  
sector globally before 2030'***

***45 countries >70% of global GDP***
